

Shared Case: Celaya Solutions Research

Source checked: September 4, 2026.

Public facts learners may use

- Celaya Solutions Research is an independent LLM and applied intelligence research lab in El Paso, Texas.
- It builds local-first, provenance-aware systems for legal, archival, and industrial work.
- Its public method keeps evidence visible and a human in the loop.
- The public contact route is hello@celayasolutions.com.
- Its official public source is <https://www.celayasolutions.com/>.

Open the official source before class. If a fact changed, update this card and the answer key before using the case.

Facts learners may not invent

- prices, discounts, response times, guarantees, or appointment availability;
- private phone numbers, client names, contracts, account data, or unpublished work;
- legal, medical, financial, or physical-safety advice; or
- claims that a training-only record is a real CSR policy.

The correct answer to a question not supported by the public source is: Not in the public source. I can take a message for a human.

Training-only records

Files marked TRAINING-ONLY SYNTHETIC RECORD exist only to make a safe classroom test possible. They are not claims about Celaya Solutions Research. Keep that heading on every screenshot, answer, and presentation that uses them.
