

Classroom Cost Sheet

This estimates a possible project. It is not a published Celaya Solutions Research price.

Line	Assumption	Official source and check date	Monthly amount
Input tokens per conversation			
Output tokens per conversation			
Conversations per month			
Model cost			
Vercel or other frontend/server cost			
Railway or other always-on cost, if used			
Human review time			
Other			
Cost floor			
Three-times safety line			

Use current official provider and host price pages. Do not copy a number from an old slide.
