

Level 3 Command Card

The instructor fills and tests this card during the week of class.

Runner: Ollama

Small model exact name: [FILL THIS WEEK]

Small model file size: [FILL THIS WEEK]

Medium model exact name: [FILL THIS WEEK]

Medium model file size: [FILL THIS WEEK]

Five commands

```
ollama list
ollama run [SMALL MODEL]
ollama run [MEDIUM MODEL]
ollama create [YOUR NAME] -f Modelfile
ollama rm [MODEL TO REMOVE]
```

Exit an active chat with /bye.

Do not copy a model name from an old handout. Use the names tested for this class and this hardware.
